This bill would extend the authorization of an on-sale general license for hotels and motels to sell or furnish beer and wine for consumption on the premises, as specified.

The August 22, 2008, amendments removed language that would have allowed special tax treatment, called disaster loss treatment, for losses sustained as a result of wildfires that occurred in areas of California during calendar years 2007 and 2008. As a result of the amendments, this bill no longer impacts the department's programs and operations or state income tax return.
